

The South Warwickshire Local Plan (SWLP) will set out future land use for the area until 2050.

Stage 1 of the plan was a call for sites, the submissions in the local area are summarised here for information.

Search online for 'swlp call for sites map' for more detail.

These sites have been submitted through the call for sites process and are being presented for information at this stage. They have not yet been assessed for their suitability for inclusion within the plan, nor do we endorse them.
